continuing  
our legacy!*

**100** YEARS OF MOVING FORWARD  
**A2Y** | Ann Arbor/Ypsilanti  
REGIONAL  
CHAMBER

The Ann Arbor/Ypsilanti Regional Chamber is celebrating its 100 year anniversary and we have you, the membership, to thank for this amazing milestone! We are proud and honored for your continued support of the Chamber and our local business community. The success of the region is yours to celebrate! As we move forward from Model T's to Mobility, we invite you to commemorate with us as we unveil the next century of innovation, programming, and public policy.

The A2Y Chamber will launch several new initiatives during the 2018-2019 year. The initial event will be brought to you at Impact 2018 where we will present the first of a special four-part series on the effects of mobility technology on our region. We are excited to bring this series to our members to provide education and clarity about what this means for their businesses, and our community as a whole. Other new programs include expanded workforce development plans, Creative Chambers projects, and instituting an Entrepreneurial Advisory Committee. These expanded platforms will allow us to ensure that we continue to meet your needs into the future, making certain our organization will grow and adapt with our membership.

We want to thank you for your continued support through the years. We have a vision for the future, to enhance programming, initiatives and talent for the next generation of entrepreneurs. To accomplish our goal, and in recognition of our anniversary, the Chamber will embark on a "Legacy Leaders" campaign. Our aspiration is for 100 individuals or businesses to give a one-time \$1,000 sponsorship to the Chamber, with the goal of raising \$100K. Sponsors will receive special recognition throughout the year as a "Legacy Leader" in addition to an exclusive VIP reception at the Chamber Year-End. Please join us as a "Legacy Leader" today!

Thank you for your support over the years and into the future!

Sincerely,

The Ann Arbor/Ypsilanti Regional Chamber Board of Directors and Staff
